

# FREE PRIVATE WELL WATER QUALITY TESTING

NMED and NM-DOH will be offering up to 150 free water tests for private wells serving homes **not connected to a public water utility** in the **greater Espanola and Santa Fe Area**

## Friday 9/25/2020

When: 3 pm - 6 pm

Where: NMED Espanola Field Office @ 712 La Joya Street  
Espanola, NM 87532

## Saturday 9/26/2020

When: 9 am - 1 pm

Where: Harold L. Runnels Building @ 1190 St. Francis Drive,  
Santa Fe, New Mexico 87505

## HOW TO COLLECT A WATER SAMPLE

- Fill a clean glass or plastic container without any strong odors, with at least a quart or a liter (i.e. 32 OZ) of your well water.
- If the home has a whole house filtration system, collect the water at the well head prior to any filtration or softener systems if possible.
- Let the water run 2-3 minutes before collecting the sample.
- Fill the container with water as close to the time of testing as possible.
- Tests Include: pH, Electrical Conductivity, Nitrate, and Arsenic

**At the event, we will be collecting information about your well (i.e. well construction information).**
